

Introducing Normatec 3[®]

The Normatec 3 by Hyperice is the next evolution of the iconic Normatec series, using dynamic air compression to advance your wellness, recover faster, improve your training, and maximize your performance. Normatec's patented precision pulse technology helps to increase circulation, revive muscles, and reduce swelling and has long been the choice of elite athletes and consumers throughout the globe.

Fresh legs faster™

A refreshed system design with an intuitive interface, reduced weight, and the ability to unlock next-level features and customization through the Bluetooth® connected Hyperice App makes Normatec 3 the ultimate massage experience for all.

Available for:

- Legs
- Lower body (legs + hips)
- Full body (legs, hips + arms)
