

Hypervolt 2

Keep moving

The original Hypervolt with some serious upgrades - lighter, more powerful, and a newly designed ergonomic handle. Give your muscles the daily relief they've been asking for with the Hypervolt 2's percussion massage. Warm up quickly, stay loose, and accelerate recovery at home and beyond - so you're ready to tackle whatever comes next.

Better than ever

The Hypervolt 2 has an improved ergonomic design, reduced weight, and three speeds of powerful percussion to help you get back to doing what you do, even better.

Whisper quiet

Don't pause your favorite song or your favorite show. Our patented QuietGlide® technology will have you saying "ahhh", not "shhh".

Recovery, on demand

Integrated with HyperSmart™, it's easy to find the warm-up and recovery plans that will help you feel and move better with step-by-step expert guidance through the Bluetooth® connected Hyperice App.

6 reasons you need a Hypervolt

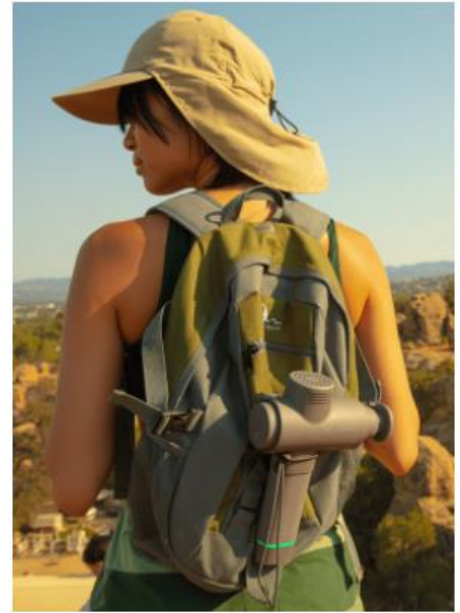

The best use the best

There's a reason the pros are the pros. They know how to treat their bodies right and you should too.

There's an app for that

Hit all the right muscles and master the timing and intensity of your sessions with guided routines in the Hyperice App.

Do what you love. More.

At work or working from home, at the gym, or trailside on your run, Hypervolt helps you move better and do more.

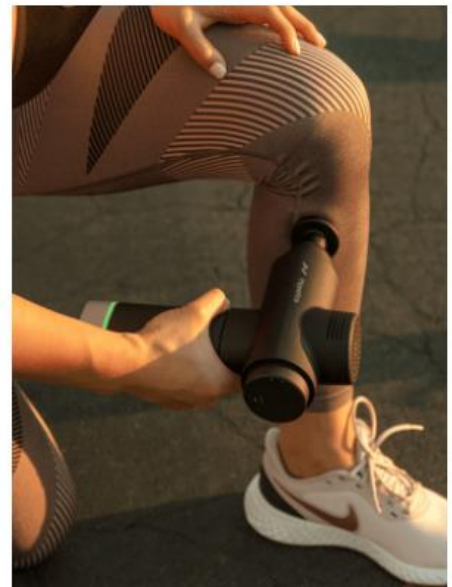

Say goodbye to muscle fatigue

Get rid of muscle knots and loosen up. It's amazing what you can do with your full range of motion.

Good vibes every day

Portable and always on-call. Think of Hypervolt like a massage therapist to massage away all your stress and tension.

Optimize your workouts

Get ready to rock. And recover right. The Hypervolt accelerates your warmup and recovery time like a boss.
